Andy Silvester

In the case of myself, I have no association with any clubs/charities etc. outside of East Lindsey Advice Project - who are, of course, receivers of funding from CCC.

When matters pertaining to finance and funding are on the Mablethorpe CCC Agenda both Amanda and myself will declare our interests in this respect and abstain from attending/participating in any such discussions. This was one point we made clear when the Committee invited us to be associate members

Amanda Wain

In the case of myself, I have no association with any clubs/charities etc. outside of East Lindsey Advice Project - who are, of course, receivers of funding from CCC.

When matters pertaining to finance and funding are on the Mablethorpe CCC Agenda both Andy and myself will declare our interests in this respect and abstain from attending/participating in any such discussions. This was one point we made clear when the Committee invited us to be associate members
