our bi-monthly newsletter

Big Local is an exciting opportunity for residents in 150 areas around England to use at least £1m each to make a massive and lasting positive difference to their communities.

The CCC is focused on improving our area by means of investing in groups and projects that support:

- Sports and Leisure**
- Arts and Heritage**
- The Environment**
- Crime Prevention/Reduction**
- Community Cohesion**
- Employment/Skills**
- Preventing/Reducing Poverty**
- Health**

If you belong to an organisation or group that benefits any of the above areas, you may be entitled to apply for a grant. If so, please contact us.

Organisations that have recently benefited from applying to the CCC for grants include:

- Trusthorpe Allotment Gardens Association - Replacement roof for a community shed
- Spirit of the Marsh - Contribution towards hosting an event in 2018
- Mablethorpe Lego Club - Lego kits and storage boxes

Exercise on Referral

Marisco Patient Group were awarded a grant to fund 50:50 referrals from Marisco to Station Sports Centre. If you are a member of the Marisco Patient Group just ask your clinician if you can be referred under the scheme and the practice will complete the forms for you. If you have had a health review or seen a clinician and had a Blood Test, Blood Pressure checked, or been advised to lose weight in the last three months you may not need to see anyone, just contact the patient group and you may be eligible straight away. As a bonus, patients on the scheme will also be able to use both Meridian and Embassy swimming pools at no extra charge. Funding and spaces are very limited, act quickly and contact them by e-mail, info@mariscopatientgroup.co.uk, see any of the volunteer team, or leave a message at Marisco Reception.

Future Projects

A collaboration between the CCC and Mablethorpe Art Group will see refreshed artwork appearing on Quebec Rd
We are funding SoundLINCS to run a music project with our local primary schools - details to appear in our next newsletter.
