our bi-monthly newsletter

As a result of our recent annual review, where we listened to ideas and views given by local people, the CCC has developed a budget for a 3 year plan that will allow us to focus on improving our area by means of investing in groups and projects that support:

**Sports and Leisure    Arts and Heritage    The Environment**  
**Crime Prevention/Reduction    Community Cohesion**  
**Employment/Skills    Preventing/Reducing Poverty    Health**

If you belong to an organisation or group that benefits any of the above areas, you may be entitled to apply for a grant or be able to provide a service/project that we can commission. If so, please contact us.

*If you missed the Mablethorpe episode of "Britain in Bloom", you can still see it on BBC iplayer or the BBC youtube channel*

### **Organisations that have recently benefitted from applying to the CCC for grants include:**

Coastal Events CIC - for their Tea Dance on Sutton on Sea Promenade - Sunday 27th May - noon-4pm

Coastal Crafts for materials and equipment for craft projects

### **Loan Sharks**

Mablethorpe, Trusthorpe and Sutton on Sea are target areas for loan sharks charging over 1000% interest

**DON'T GET BITTEN!**

If you need support with managing your finances or have a crisis and are thinking of taking out a loan, come and talk to us first.

Ring - 07468 492423 or visit us at:

the Meridale Hall on Friday morning 10am-noon

Mablethorpe Community Hall Tuesday morning 10am-noon

### **🎵 Frequency Music Project 🎵**

Using funding from the CCC, soundLINCS will deliver a 60 hour music technology project to 2 classes at Sutton on Sea Community Primary school. The project also includes staff training sessions and a 12 month license for Soundation, the software used for the project that has been installed on the school's IT network. This means that, after each class has received 20 1.5 hour sessions from the soundLINCS facilitators, pupils will be able to continue using the software. We're looking forward to being able to share mp3s of the music that the pupils compose.

### **Two ongoing projects that the CCC supports are:**

Experience Enterprise - where residents can obtain one-to-one advice on starting up, or developing, their business ideas.

East Lindsey Advice Project - Providing confidential advice on subjects including: housing, benefits, employment, debt, wills and probate.

Both of these services can be accessed at Mablethorpe Community Hall (Tuesday) and the Meridale (Friday), 10am-12:30pm.

If you would like to talk to us about how we can work together to help improve our area, you are welcome to meet with us on:

Monday and Tuesday:

Mablethorpe Community Hall, Stanley Avenue, 10am - 12noon

Friday: Meridale Centre, High St, Sutton on Sea, 10am - 12noon
