Winter 2019/20

Mablethorpe, Trusthorpe and Sutton-on-Sea is one of 150 Big Local Areas of the UK. Big Local is a Lottery-funded initiative to invest in our local area over a 10 year period.

We are here to help the local area and its residents by funding community groups, helping host and fund local events, regenerating community buildings, and improving the well-being of everyone across the LN12 area.

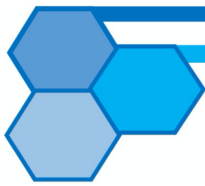

To help brighten up the High Street, we have commissioned 3 locally-themed artworks. The first has been installed and we are looking forward to seeing the rest, over the next few months.

This issue features an in-depth look at one of our commissioned services, ELAP, updates on grants and details of our festive events.

The CCC is focused on improving our area by means of investing in groups and projects that support:

- * Sports and Leisure * Arts and Heritage * The Environment *
- * Crime Prevention/Reduction * Preventing/Reducing Poverty *
- Community Cohesion * Employment/Skills * Health *

ARE YOU MISSING OUT?

ELAP, your local advice charity, offers a unique free, confidential service – a Personal Financial MOT where a trained Advisor will check your income and expenditure and that you are receiving all benefits and entitlements that you are eligible to receive, but may not be aware of.

As AdviceUK Members, we have access to the latest benefit/budget checkers which only take a few minutes to confirm results.

We work with many local support agencies, charities and Marisco Medical Practice, so there is no need to wait weeks to acquire supporting evidence for benefit claims, Blue Badge Applications etc.

We offer advice on benefit eligibility, applications and appeals, consumer matters, debt solutions, budgeting and income maximisation, housing and homelessness, paperwork checking and completion.

Drop in for a coffee and a chat, and meet the team.

We look forward to meeting you at:
