Spring 2022

Mablethorpe, Truethorpe and Sutton-on-Sea is one of 150 Big Local Areas of the UK. Big Local is a Lottery-funded initiative to invest in our local area over a 10 year period. We are here to help residents by funding community groups, helping host and fund local events, regenerating community buildings, and supporting projects that improve the well-being of people across the LN12 area.

Help - Advice - Support

You can access help by talking with two projects that we have commissioned:

Experience Enterprise - where residents can obtain one-to-one advice on starting or improving a business idea.

The CCC are pleased to announce that we have commissioned an advisor from the **Citizens Advice Bureau**, to provide confidential advice on a range of subjects including: **housing, benefits, employment and finance.**

Both of these services can be accessed at Mablethorpe Community Hall, LN12 1DP (Tuesday) and the Meridale, Sutton on Sea, LN12 2ET (Friday), 10am-noon.

Your Chance to Chat

Ideas for projects come from **you**! Please share them with us. They could be things that you've seen work in other areas or it could be a problem that needs a solution.

We don't promise to carry out every suggestion that comes our way. But, if you don't ask, you'll never know.

You can find all of our contact details at

Friday: Meridale Centre, High St, Sutton on Sea, 10am - noon

Hello everyone, I just would like to introduce myself as the new Community Growth Officer for **LN12 CIC**. My name is **Caron Ementon** and I started in my new role on 1st March. My aim is to find ways to help support local people, including delivering the Winter Warmth project and helping people get online. In addition to this I will be looking to enhance job opportunities for young people and assist with enhancing education and training opportunities. Another longer term goal will be to champion better health care services for the area. Thank you to those who completed local surveys that revealed the issues you feel also need addressing; including loneliness, poor transport provision and lack of activities offered in the area.

I have been talking to lots of people and am quickly gaining a picture of the locality and its needs. I hope that people will find me, talk to me and help me to drive things forward and make the LN12 postcode a better place to live.

You can contact me on 01529 305825.

CAB Update

Our funding for a Citizens Advice Bureau advisor is benefitting residents.

The latest snapshot of their work shows the range of issues that they have been helping people with.

One of the key takeaways from the latest report is that "I see a high volume of more mature people who struggle with internet access and IT skills, who also need someone to act as an advocate and also need the reassurance of a face to face appointment".
