our bi-monthly newsletter

Big Local is an exciting opportunity for residents in 150 areas around England to use at least £1m each to make a massive and lasting positive difference to their communities.

The CCC is focused on improving our area by means of investing in groups and projects that support:

**Sports and Leisure Arts and Heritage The Environment
Crime Prevention/Reduction Community Cohesion
Employment/Skills Preventing/Reducing Poverty Health**

If you belong to an organisation or group that benefits any of the above areas, you may be entitled to apply for a grant or be able to provide a service/project that we can commission. If so, please contact us.

Xmas News and Events

The CCC is excited to be supporting and partnering the Rotary Club with the SUTTON ON SEA XMAS EXTRAVAGANZA!

On Friday 14th December 4pm-8pm, Sutton on Sea High St will be home to giant stilt walkers, Carol singing, giant bubble blowers, craft stalls and hot food. Santa will be providing presents for all children and all are welcome to take part in the grand parade.

We are also funding a new community project, working with local schools, Churches Together and the Rotary Club to celebrate Christmas.

On Saturday 22nd December at 4pm, children and families can parade with lanterns that they have made at school, from the skate park and along the promenade, joining Santa's sleigh and the Lincs FM street team. The parade will continue down Mablethorpe High Street to Station Road car park where Santa will be presenting a party bag to every child. Churches Together will perform the first scene from their nativity play, before moving inside for carols around the Christmas tree and the remaining scenes from the nativity.

Organisations that have recently benefitted from applying to the CCC for grants include:

St Mary's Open Circle of Friends for a new boiler at their hall
Trusthorpe Neighbourhood Watch for fencing materials
Hope House for upgrades to security, safety and heating systems

Individuals are recognised for their positive contribution to their community, society or chosen cause. Jordan's chosen cause was his stranded mammals campaign.
